Thank you for your purchase. Have a nice holiday time :-)

Alaska is the 49th and largest state in the United States of America. Separated from the rest of the country (the "lower 48") by Canada, Alaska lies on the Arctic Circle. It is still the least densely populated state in the union and for a long time was home to the lowest population. America's final frontier is the size of California, Texas and Montana combined, making it huge in comparison to the rest of the states! Alaska is also home to the highest point in North America and all of the top ten highest mountains in the USA. Across the Bering Strait lies the country of Russia and the continent of Asia. Most cities and villages in the state are accessible only by sea or air. The Alaska Marine Highway System also serves the cities of Southeast and the Alaska Peninsula. Cities not served by road or sea can only be reached by air, accounting for Alaska's extremely well-developed Bush air services-an Alaskan novelty. Alaska is huge. It actually spans what once were five time zones! So big in fact you probably won't scratch the surface of what it has to offer in terms of geography, wildlife, local flavor, or Alaska native culture. You might visit a couple of the regions of the state during your visit. It is quite possible to experience the ancient rainforest of Southeast Alaska, camp in Denali National Park, and kayak among icebergs in Prince William Sound on the same trip. Another option is to focus on a smaller (still huge) region of the state and spend enough time for a better look and then plan a return trip to explore a different region. Alaska does not have to be a once in a lifetime destination. Three weeks in the Inside Passage, traveling from town to town by ferry, is likely to leave you wanting more time if you enjoy hiking, sea kayaking, fishing, wildlife watching, scenery, Native culture, biking. The Kenai Peninsula, south of Anchorage, is another region worthy of an extended stay and is easily accessed from Anchorage. Plenty of public campgrounds make this an extremely affordable do-it-yourself destination if you have a few folks to share the cost of a rental car. An Anchorage, Denali, Fairbanks, Valdez driving loop also offers plenty to see and do for two weeks or more and can be quite affordable with camping and a shared rental car. There are many things to do when traveling to Alaska. If you are the adventurous type then Alaska will be a great place to go. You can go hiking, biking, kayaking, fishing, and expeditions to see the wildlife of Alaska like wolves, whales, moose, and bears. There are also month-long expeditions to the top of Denali. A journey on the Dalton Highway provides a very unique experience. The highway crosses mountains and tundra, the Arctic Circle, and 414 miles of pristine wilderness. Stay up late to see the midnight sun, it's fascinating to watch in the summer when daytime seems endless. Anyone traveling to Alaska should definitely make a trip to Denali; it is absolutely beautiful and the highest point in North America. You can see it from hundreds of miles away when there are clear skies. However, if you get the opportunity to take a trip to see it up close, do it. An ATV ride up the side of a mountain can be one of the most eventful experiences of your trip. On the way up the path, you will see vegetation and wildlife that you can't see anywhere else. Once you finally get to the top of the mountain, you will see one of the most beautiful sites in all of the United States. Digital cameras and photos don't do the mountain's beauty enough justice. The mosaic of blues, whites, grays, and greens will leave you absolutely astonished. Alaska travel guide Alaska guide book travel guide Alaska Alaska guide Alaska is by far the largest state of the United States of America by land area. Nicknamed "the last frontier," Alaska is sparsely populated; the state was purchased by the United States for \$7,200,000 from the Russian Empire in 1867, and gained statehood in 1959 as the 49th state. Separated from the "lower 48" by Canada, Alaska can be a challenging destination; most of the state is in the Arctic. Except vast forests and frozen tundra, Alaska contains the ten highest mountain peaks in the United States. West of Alaska is the Bering Strait, and the eastern tip of Russia. Alaska is huge. It actually spans what once were five time zones! So big in fact you probably won't scratch the surface of what it has to offer in terms of geography, wildlife, local flavor, or Alaska native culture. You might visit a couple of the regions of the state during your visit. It is quite possible to experience the ancient rainforest of Southeast Alaska, camp in Denali National Park, and kayak among icebergs in Prince William Sound on the same trip. Another option is to focus on a smaller (still huge) region of the state and spend enough time for a better look and then plan a return trip to explore a different region. Alaska does not have to be a once in a lifetime destination. Three weeks in the Inside Passage, traveling from town to town by ferry, is likely to leave you wanting more time if you enjoy hiking, sea kayaking, fishing, wildlife watching, scenery, Native culture, biking. The Kenai Peninsula, south of Anchorage, is another region worthy of an extended stay and is easily accessed from Anchorage. Plenty of public campgrounds make this an extremely affordable do-it-yourself destination if you have a few folks to share the cost of a rental car. An Anchorage, Denali, Fairbanks, Valdez driving loop also offers plenty to see and do for two weeks or more and can be quite affordable with camping and a shared rental car. The Rough Guide to Alaska provides extensive and insightful information on the US's premier adventure destination. Includes bibliographical references and index. Thanks for downloading the book!! This book aims to help the tourists whether traveling with families or friends to help in planning the trip to visit Alaska and its popular towns. The book covers the best of attractions, accommodation to choose during their visit to Alaska. Any trip to Alaska would be classified as incomplete in my opinion if you don't experience both the land and sea journey. This book will detail on how about to planning your itinerary, choosing Alaska cruising and also the towns to visit using the famous Alaska Railroad. It aims to list the best of the attractions, best of sightseeing which can be visited during your visit to Alaska and list major websites to refer to book attractions or plan your days. This book also focuses on best of accommodations, famous dining outlets, day tours, surrounding regions which are author's recommended; it also has various photos which will give you the feel of this famous tourist destinations. Once you have read this book, certainly you don't need to browse anywhere else on what attractions to cover and this book can form your basis to pick

and book your sightseeing activities, accommodations and plan your holidays. If you have found the book useful, please don't forget to leave your valuable comments. Epic landscapes, abundant wildlife and unforgettable adventures - welcome to Alaska. Whether you want to be awed by its jaw-dropping scenery, spend time in the national parks, or learn about the rich historical roots of native culture, your DK Eyewitness travel guide makes sure you experience all that Alaska has to offer. Alaska is an outdoor enthusiast's dream. This vast state is chock-full of national parks and public lands, all ripe for adventure. What's more, every region has its own distinct terrain: roam barren tundra in the Arctic, lush rainforests in the southeast and craggy peaks in the Interior. But towns and cities dazzle, too. Top restaurants and Gold Rush history abound in the state capital Juneau, while Ketchikan, home to the world's largest display of totem poles, is the place to be for native history and culture. Our updated e-guide brings Alaska to life, transporting you there like no other travel guide does with expert-led insights, trusted travel advice, detailed breakdowns of all the must-see sights, photographs on practically every page, and our hand-drawn illustrations which place you inside the state's iconic buildings and neighbourhoods. We've also worked hard to make sure our information is as up-to-date as possible following the COVID-19 outbreak. You'll discover: -our pick of Alaska's must-sees, top experiences and hidden gems -the best spots to eat, drink, shop and stay -detailed maps and walks which make navigating the state easy -easy-to-follow itineraries -expert advice: get ready, get around and stay safe -colour-coded chapters to every part of Alaska, from Anchorage to The Kenai Peninsula, Prince William Sound to Arctic and Western Alaska Touring the states? Check out our DK Eyewitness USA The premier guide to outdoor activities in one of the world's great, unspoiled regions. This book is designed for independent, nature-oriented travelers of all ages, updated and filled with indispensable advice and insider tips as well as the latest information on where to stay, what to see, and how to get there. Maps. Illustrations. 34 photos. The experience of traveling and experiencing new places is an amazing learning lesson and a great experience for your children. I mean how cool would it be to have that experience at such a young age? I believe that traveling the world while you are young is important because when those children grow up and get married with their own kids, they won't have the time to have these experiences. Traveling also helps you relate to people. If you are traveling to a place where there are new languages or foods, this helps children relate to those people. You get to understand and see people from a new perspective. Learning new languages, or hearing new dialects, allows you to be able to communicate with so many more people throughout the world, which I find to be so important! This travel guide is meant for people who have kids - and picks out all the great family-friendly aspects of this great state. It covers everything from the quaint small towns to best places to camp. Bears, birds, totems, cruising amidst the glaciers, camping in the wilderness... Alaska can still astonish the most jaded of travellers. Insight Guide Alaska is a comprehensive full-colour travel guide to the huge, untamed spaces of America's 49th state. Beautiful photographs on every page will take you on a journey through the Last Frontier. Our Best Of section selects Alaska's top attractions and activities not to miss, such as touring on a luxury train, observing wild bears, bald eagles, and humpback whales in Glacier Bay National Park, and seeing the Northern Lights. Lively features by local writers cover a whole range of subjects: choosing a cruise, testing your survival skills, staying in a wildlife refuge, getting around by ferry, gold-panning and how to spot a bear. Insight Guides' unrivalled coverage of history, landscape and culture provides an essential introduction to this vast state. Evocative accounts of Alaska's national parks and varied wildernesses combine with lively descriptions of the main towns and visitor hubs. All major sights are cross-referenced with full-colour maps, and the travel tips section provides a wealth of practical information on how to plan your trip. The Alaska Travel Guide: Sights, Culture, Food, Shopping & Fun - don't visit the United States without it! Available in print and in ebook formats. The Milepost is the best-selling travel guide to Alaska and a "quintessential reference" for northern travelers. The Milepost includes mile-by-mile descriptions of more than 15,000 miles of road in Alaska, Yukon, Northwest Territories, British Columbia and Alberta. Its 700-plus pages detail accommodations, camping, fishing, gas stops, restaurants, attractions and services found along the highways and byways of Alaska and western Canada. The guide's Travel Planning section answers frequently-asked questions about travel in the North, including what you need to know about crossing the international border, traveling with pets, the Alaska ferry system, driving conditions, railroads, tours and wildlife. Suggested itineraries are mapped out to help travelers plan their trips. The 2023 edition of The Milepost(R) is the 75th edition of this classic annual travel guide, which was first published in 1949 as a 72-page guide to the recently opened Alaska ("Alcan") Highway. While the log of the Alaska Highway is still the foundation of this guide, it has been joined by dozens of connecting routes as well as newer roads, such as the Dalton Highway, the Dempster Highway and the recently opened road to Tuktoyaktuk. All highway logs, which are updated every year by field editors, include a look at the history of the route and often the natural history of the region. The Alaska Highway section includes a brief history of the Alaska Highway that is a poignant reminder of the scale of this project. The Alaska Highway was named an International Historical Engineering landmark in 1996. The Milepost(R) has more than 100 city and highway maps; the wildly popular Plan-A-Trip Map; more than 600 photos; and numerous sidebar features of special interest. Print book buyers have free access to a digital edition. Alaska is an adventurer's dream and there are few places in the United States where the Great Outdoors offers tourists quite so much. As one of the last refuges of unspoiled nature, Alaska represents all that is great in the American "Wild West".
