In this exhilarating exploration of auras and their uses, Paul Lambillion provides a practical guide for people who want to learn how to discern auras and use this gift in a constructive way in order to become more effective people and better healers. Some people are gifted with the ability to see auras, the coloured energy and light fields we all have around our physical bodies. An aura reveals an individual's spiritual, mental, emotional and physical state; their personality, gifts, aptitudes and other personal characteristics. Even inanimate objects have auras, as do animals, flowers, trees, houses, communities and cities. Paul Lambillion teaches people how to detect these auras and how to use this knowledge for healing, self-knowledge, love and relationships. In this unique book, he presents a course in learning to understand our subtle bodies, which can bring a deep perception of the whole human being. It includes many useful exercises and meditations, helping us to unfold our own vision of colours and auras. In addition, Auras and Colours gives much information on the meanings of the colours and how an understanding of them can bring harmony to our everyday lives.
