Our Wine Tasting Notebook is designed for the novice and expert connoisseurs. I needed to know what wine to pair with what food without all of the blah, blah, blah. Over many years I gathered notes and I tried many wines with foods of all kinds, from real Chinese and Indian, to Malay and Southern American, and all sorts of foods in between. I tried wines with French and Mexican food, looked for wines to pair with Cajon and Creole, and researched ways to pair wine with popcorn and other snacks. Friends and

businesses kept bugging me to write this book after seeing my extensive notes and I finally got around to it after all of these years. I trust that this book will be as helpful to you in the real world as it has been for me.
