Do you ever feel your prayers are anemic? Hollow? Then this six-session video Bible study (DVD sold separately) is for you! Bestselling author Anne Graham Lotz looks at the life of Daniel and unpacks the prayer he prayed in Daniel 9. Unlike the

everyday now-I-lay-me-down-to-sleep kind of prayer, this was a prayer birthed under heartache...grief...desperation. It was a plea for Heaven to move and change his nation. For an entire generation Daniel's people had been held in captivity and separated from their homeland—and thus separated from God. But when Daniel read a prophecy in which God said He would restore His people to Jerusalem after seventy years, he claimed that promise and cried out to the Lord to bring it to pass. Daniel's example of praying God's Word back to Him is what Anne calls "reversed thunder." In this study, Anne explains how we, too, can reverse the thunder until Heaven is moved and our own worlds change. Following the pattern of Daniel's original prayer, she helps us develop a more meaningful and powerful prayer life. As we learn how to storm the gates of Heaven and refuse to let go, we will see real change in the lives of not only those we are praying for, but also our own. Our prayers will become more effective as our faith is deepened and our personal relationship with God is strengthened. This guide includes weekly Bible study readings, video teaching notes, group discussion questions, group activities, and space for writing your own prayers. It is ideal for use in small groups and Sunday school classes and includes a simplified Bible study track for more limited meeting time (such as a workplace lunchtime setting). Sessions include:

Preparing for Prayer Prompting in Prayer Pleading in Prayer Prevailing in Prayer The Battle in Prayer This study guide is designed for use with The Daniel Prayer Video Study (sold separately). A Facilitator's Guide is included on the DVD only, with Additional Resources. What Does God Give? And What Does He Never Give? Is it difficult for you to figure out what God gives and doesn't give? For example, do you wonder if God ever causes tragedy in a person's life? Has someone ever told you that God has caused bad things to happen to you? And if bad things have happened to you, how can you resist them, overcome them, and get back on track again? All these questions are answered in this five-part series How To Determine What God Gives and Never Gives. In these lessons, Rick Renner also shows you: How supernatural joy will empower you to make it through difficult circumstances. How endurance will help you hang in there until you receive what you need from God. How to know if you're in doubt or if you are asking in faith. How do you determine what God gives and never gives? This series will revolutionize your thinking about what things come from God and what things never come from Him! This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Millions of couples getting married have pledged to "love and to cherish, until death do us part." Most of us understand and get the love part... but what does it mean to cherish our spouse? Why do we say it once at the wedding and then rarely even mention it again? In this six-session video Bible study, bestselling author Gary Thomas draws on personal stories and teachings from the Bible to show

how cherishing can have a powerful effect on marriage. Learning to truly cherish each other turns marriage from an obligation into a delight. It lifts marriage above a commitment to a precious priority. Cherish is the melody that makes a marriage sing. Many couples today survive by gritting their teeth and holding on. Or they find themselves just "going through the motions" in their relationship. But cherishing our spouse can reverse this pattern. Cherishing can breathe light, hope, and new life into a marriage--even one marred by neglect and disrespect. The Cherish Study Guide includes video discussion questions, Bible exploration, and personal study and reflection materials for in-between sessions. Sessions include: To Love and to Cherish Your Honor Taking Your Marriage to the Next Level Cherishing Your Unique Spouse This Is How Your Spouse Stumbles Keep on Cherishing This pack contains one softcover study guide and one DVD.
