**Modern Fantasy: The 100 Best Novels** Nov 26 2020 Pringle presents his selections in chronological order and includes a synopsis of the story, a discussion of the author's overall contribution to fantasy literature, critical commentary on the title's significance, and a brief publishing history. An introductory essay tackles the difficulty of defining fantasy, while a "Brief Bibliography" directs readers to other discussions of the genre. By no means a definitive subject guide, this entertaining volume should serve as a solid introduction to the elusive field of imaginative literature.

Don Quixote Oct 06 2021 This book is a unique scholarly attempt to examine Don Quixote from multiple angles to see how the re-accentuation of the world's greatest literary hero takes place in film, theater, and literature. To accomplish this task, eighteen scholars from the USA, Canada, Spain, and Great Britain have come together, and each of them has brought his/her unique perspective to the subject.

I, Jack Swilling Jul 03 2021 Yesterday I was delirious, and the day before that, or several before that. Tonight, though, I seem to be aware of everything I've ever known . . . It's dark, double dark because of the mist that August steams from the Colorado. Yet I can see almost every place I've ever been . . . All the men I liked are having drinks with me or yarning around campfires scattered from the Appalachians to the Pacific Coast. All the enemies I've fought are visible beyond the muzzles of guns or the points of knives . . . All of the women I've wigwamed with, including the two who demanded the law's blessing, are either smiling or showing they wished they never met me . . . But I could never really belong to civilization, for once I hand helped to create it, I yearned for a place on which it hadn't laid an ordering hand.

*Stad van maskers* Jun 02 2021 Wat gebeurt er met je als je het ene moment ziek in bed ligt en je het volgende moment bevindt in een wereld vol glamour, intriges en bedrog? Dit is precies wat Lucien overkomt. Hij doet de onthutsende ontdekking dat hij een stravagante is iemand die zichzelf door tijd en ruimte kan verplaatsen. Door een oud notitieboek komt hij terecht in de zestiende eeuw, in de adembenemend mooie stad Bellezza. Ineens bevindt hij zich tussen ruisende jurken, palazzos, kanalen, mandolas én een indrukwekkende duchessa. Maar dit is nog niet alles: Lucien blijkt

een belangrijke rol te moeten spelen om de lagunestad te behoeden voor een ramp Een indringende, ontroerende en opwindende roman, moeilijk om neer te leggen. Een van de beste time slip-verhalen die ik de afgelopen jaren gelezen heb. Zonder twijfel een meesterwerk in de hedendaagse kinderliteratuur. edgardo zaghini children's literature officer, booktrust Arianna werd vroeg wakker door het geschreeuw van de schoonmakers op de piazza. Ze strekte haar koude, verkrampte ledematen en wreef de slaap uit haar ogen. Stram liep ze naar de balustrade en keek uit over het plein naar de zuilengalerij achter de campanile. En ze geloofde haar ogen niet. Daar riskeerde een jongen van haar leeftijd zijn leven. Je kon zo aan zijn kleren zien dat hij een vreemdeling was, beslist geen Bellezziaan, zelfs geen Taliaan. Hij droeg de gekste kleren die Arianna ooit had gezien. Hij hoorde hier net zomin thuis als een hond in de raadzaal. En toch had hij niet door dat hij in levensgevaar was, want hij stond met het verdwaasde gezicht van een slaapwandelaar op zijn dooie gemak van de warme zon te genieten. Was hij soms niet goed snik? Mary Hoffman is een bekende Engelse schrijfster. Ze schreef al meer dan tachtig kinderboeken, voornamelijk prentenboeken. Ze koestert een grote liefde voor Italië, een land waar ze zoveel mogelijk tijd doorbrengt. Voor Stad van maskers liet ze zich inspireren door Venetië.

*Science Fiction and Fantasy Literature* Feb 16 2020 *Science Fiction and Fantasy Literature, A Checklist, 1700-1974, Volume one of Two*, contains an Author Index, Title Index, Series Index, Awards Index, and the Ace and Belmont Doubles Index.

*The Year's Best Science Fiction: Twenty-Second Annual Collection* Aug 24 2020 Widely regarded as the one essential book for every science fiction fan, *The Year's Best Science Fiction* (Winner of the 2004 Locus Award for Best Anthology) continues to uphold its standard of excellence with more than two dozen stories representing the previous year's best SF writing. The stories in this collection imaginatively take readers far across the universe, into the very core of their beings, to the realm of the Gods, and to the moment just after now. Included are the works of masters of the form and the bright new talents of tomorrow. This book is a valuable resource in addition to serving as the single best place in the universe to find stories that stir the imagination and the heart.

**Reference Guide to Science Fiction, Fantasy, and Horror** Apr 19 2020 An annotated list of reference works in the fields of science fiction, fantasy, and horror fiction.

Tales, Then and Now Oct 26 2020 A comprehensive compilation of reworkings of classic folk and fairy tales. The nature of folktales and their surrounding cultural contexts are examined; each story is accompanied by tale type numbers, motifs, lists of reworkings by genre, and author interpretation.

*Science Fiction and Fantasy Literature, Vol 1* Jan 17 2020 *Science Fiction and Fantasy Literature, A Checklist, 1700-1974, Volume one of Two*, contains an Author Index, Title Index, Series Index, Awards Index, and the Ace and Belmont Doubles Index.

*Starcombing* Nov 07 2021 *Starcombing* contains eighty-five newly collected pieces of David Langford's witty commentary on the SF/fantasy scene - columns, articles, reviews, essays, even a few short-short stories from the famous 'Futures' page in *Nature*. Compulsive reading, crammed with insights and laughs.

Mythprint Dec 16 2019

*Dead Warrior* Dec 20 2022 "I tell you what I'll do," he said. "The stage won't be no good to me until Powder Keg amounts to somethin' . . . I'll bet a coach and team against what's on the table, draw and show down." His offer was a sufficient warning of his strength. However, I still liked my aces. A pair of them pack a lot of power in a two-handed game, and I had the feeling that my luck had not run out . . . I counted my aces as casually as pounding pulses would permit. "Can you beat 'em?" His face showed me he could not . . . "How about loanin' me your pony?"

**A Silverlock Companion** Jan 21 2023

**The Greenwood Encyclopedia of Science Fiction and Fantasy** Jan 09 2022 A comprehensive three-volume reference work offers six hundred entries, with the first two volumes covering themes and the third volume exploring two hundred classic works in literature, television, and film.

Out on Any Limb Sep 17 2022 "I half expected to run across my opponent as I escaped, but as it turned out I met no one at all in my stealthy trip to get my saddlebags from my room and my equally secretive visit to the stable. My horse was against being saddle at such an hour, but my grim firmness made short work of his rebellion. A drizzle abetted the dank chill of the hours as I rode forth . . . Next time I met that one, I swore to myself, things would be different."

**The Mammoth Book of Best New SF 18** Jul 23 2020 The one unmissable SF collection Widely regarded as the essential book for every science fiction fan, The Mammoth Book of Best New SF 18 continues to uphold its standard of excellence with more than two dozen stories from the previous year. This year's volume includes not just a host of established masters, but also many bright young talents of science fiction. It embrace every aspect of the genre - soft, hard, cyberpunk, cyber noir, anthropological, military and adventure. Plus the usual thorough summations of the year and a recommended reading list.

Read On-- Fantasy Fiction Sep 24 2020 More than 100 reading lists for every mood and taste will delight fantasy fans and those who work with them.

**Het Geboortegrav** Jan 29 2021 Het Geboortegrav is het eerste deel van de gelijknamige fantasy trilogie van Tanith Lee. Toen het boek in 1975 verscheen sloeg het in als een bom: donkere fantasy, een orgie van heroiek, hartstocht en sensualiteit, met een absoluut geloofwaardige heldin, die tussen de ruïnes van een dode beschaving op zoek gaat naar haar identiteit.

*The Moon's Fire-Eating Daughter* Nov 19 2022 She gave him a look that made him feel warm all over. "How would you like to make a survey of the Road for me? All I need is a clear, objective report based on first-hand observation. All the others I commissioned never lived long enough to give me one." "What was the matter with them, except being dead?" the professor asked nervously. "They got tangled up because they didn't know how to look at things. I don't know why I never thought of turning the job over to a scientist before." "That's a mistake voters make, too" he allowed modestly, then loosened his collar. "Er, when do you want me to start?" "Right away wouldn't be to soon." "Oh! I couldn't miss my one-thirty class," he hedged. "You won't," she assured him. "That is unless you get drowned in space, chewed up on land or sea, mobbed, or worse." She ran a hand reassuringly through his hair. "Just do, for my sake, be careful, pet." Resistance was useless. She was Venus. He was the merest of mortals. Ten minutes later, in spite of all his best efforts, he found himself being borne off through the sky in a chariot drawn by four eagles!

**Silverlock** Jun 14 2022 A young man shipwrecked in a land called the Commonwealth finds it to be populated by characters from classical literature, including Beowulf, Robin Hood, and Don Quixote. The sequel is *The Moon's Fire-Eating Daughter* (Donning, 1981).

**The Harp and the Blade** Oct 18 2022 The blue-painted wizard appeared and spoke to Finnian. "You let a man die today because you couldn't be bothered!" "It wasn't my business." "You think nothing in life is your business!" the wizard howled. "But I'll make it so things will be!" Finnian waited alert, ready to kill if the wizard voiced a curse, but he only looked hard and said: "From now on, as long as you stay in my land, you will aid any man

or woman in need of help." That didn't sound so bad . . . until Finnian discovered the whole realm needed help!

**Here Be Dragons** Mar 31 2021 Winner of the Mythopoeic Scholarship Award for Myth and Fantasy Studies (2016) Fantasy worlds are never mere backdrops. They are an integral part of the work, and refuse to remain separate from other elements. These worlds combine landscape with narrative logic by incorporating alternative rules about cause and effect or physical transformation. They become actors in the drama—interacting with the characters, offering assistance or hindrance, and making ethical demands. In *Here Be Dragons*, Stefan Ekman provides a wide-ranging survey of the ubiquitous fantasy map as the point of departure for an in-depth discussion of what such maps can tell us about what is important in the fictional worlds and the stories that take place there. With particular focus on J. R. R. Tolkien's *The Lord of the Rings*, Ekman shows how fantasy settings deserve serious attention from both readers and critics. Includes insightful readings of works by Steven Brust, Garth Nix, Robert Holdstock, Terry Pratchett, Charles de Lint, China Miéville, Patricia McKillip, Tim Powers, Lisa Goldstein, Steven R. Donaldson, Robert Jordan, and Neil Gaiman and Charles Vess.

*Science Fiction and Fantasy Reference Index, 1985-1991* Dec 08 2021

100 Must-read Fantasy Novels Feb 10 2022 Fantasy is one of the most visible genres in popular culture - we see the creation of magical and imagined worlds and characters in every type of media, with very strong fan bases in tow. This latest guide in the successful Bloomsbury Must-Read series covers work from a wide range of authors: Tolkien, Philip Pullman, Terry Pratchett, Michael Moorcock, Rudyard Kipling and C.S Lewis to very contemporary writers such as Garth Nix and Steven Erikson. If you want to expand your range of reading or deepen your understanding of this genre, this is the best place to start.

*Amra, Vol 2, No 21* May 21 2020 George Scithers published AMRA, a leading sword and sorcery fanzine, beginning in 1959. The term "swords and sorcery" first appeared there, and AMRA became a leading proponent of the subgenre. Several of the articles originally published in AMRA were later re-printed as part of two volumes about Conan the Barbarian, which Scithers co-edited with L. Sprague de Camp. Contributors to the magazine included all the leading fantasists of the day. This issue includes work by: Poul Anderson, L. Sprague de Camp, Gordon R. Dickson, Karen Anderson, and John Boardman.

**Literary Afterlife** Oct 14 2019 This is an encyclopedic work, arranged by broad categories and then by original authors, of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them. It includes book series that have continued under a deceased writer's real or pen name, undisguised offshoots issued under the new writer's name, posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer, unauthorized pastiches, and "biographies" of literary characters. The authors and works are entered under the following categories: Action and Adventure, Classics (18th Century and Earlier), Classics (19th Century), Classics (20th Century), Crime and Mystery, Espionage, Fantasy and Horror, Humor, Juveniles (19th Century), Juveniles (20th Century), Poets, Pulp, Romances, Science Fiction and Westerns. Each original author entry includes a short biography, a list of original works, and information on the pastiches based on the author's characters.

*Silverlock* Jul 15 2022 Join an unlikely hero as he watches Moby-Dick sink the Pequod, dodges cannibals on Robinson Crusoe's island, raises a glass with Beowulf, and literally goes to Hell and back. This rollicking adventure begins with a shipwreck on an island where notable characters of literature, history, and folklore coexist — Hamlet and Oedipus, Don Quixote and Doctor Faustus, Becky Sharp and Daniel Boone. From carousing with Robin Hood to crossing swords with the Green Knight and stealing a ride on Huck Finn's raft, our traveler, A. Clarence Shandon, undertakes a whirlwind tour of the classics. And just as the truths of great stories ennoble those who take them to heart, a selfish and cynical drifter is

transformed into the gallant knight known as Silverlock. "Here in your hand is the stuff of wonder," declared science-fiction author Poul Anderson, adding, "There are few such glorious romps in all the world's literature, and surely none that surpass this one." Unjustly overlooked for decades, this book lover's book has developed a devoted cult following and richly deserves a wider audience. Whether or not you recognize its scores of literary allusions, you'll savor its wealth of battles, quests, romances, songs, and laughter.

De Fox Valley Moorden May 13 2022 Zestien jaar geleden werd het slaperige Californische dorpje Marblestone opgeschrikt door de brutale moord op de jonge Tissie McAllister. De sociaal onhandige Ausley Wyatt houdt zijn onschuld vol, maar heeft alle schijn tegen zich en heeft geen alibi. Ausley krijgt levenslang en zit zijn straf uit in de San Quentin gevangenis. Wanneer hij voorwaardelijk vrijkomt, keert Ausley terug naar de ouderlijke ranch in Marblestone, tot ongeloof en ongenoegen van de lokale bevolking. Ongenoegen dat weldra omslaat in vijandigheid als Ausley een brief stuurt naar elk van de vijf mannen die op het proces tegen hem getuigden, met de vraag hoe ze hem denken te compenseren voor het geleden ongemak. En dan vallen er doden. Een reeks fatale ongelukken. Of lijkt dat maar zo? Plaatsvervangend sherrif Joe Bain moet de waarheid zien te achterhalen voordat Ausley gelyncht wordt door boze dorpsbewoners. En ook voor de verkiezingen waarin hij het voor het ambt van Sherrif moet opnemen tegen de glatte jonge advocaat Lee Gervase, die grootse plannen heeft om de hele regio te moderniseren. De Fox Valley Moorden is het eerste van de twee Joe Bain moordmysterieën waarin Grootmeester Jack Vance ons in de hem kenmerkende stijl meeneemt naar het landelijke Californië van zijn jeugd. De Fox Valley Moorden is deel 21 van Het Verzameld Werk van Jack Vance, uitgegeven door Spatterlight. Omslagillustratie: Howard Kistler. Deze vertaling van Karin Langeveld is de eerste Nederlandse editie van het in 1966 bij Bobbs-Merrill uitgegeven The Fox Valley Murders. De vertaling is gebaseerd op de gerestaureerde tekst van de Vance Integral Edition.

**De maangodin** Feb 27 2021 Aan de University of the Archangels and Saint John the Divine worden studenten ingewijd in eeuwenoude heksenpraktijken en magische rituelen. Minder bekend is dat de universiteit de thuisplaats is van de Benandanti, een sekte die zich tot doel heeft gesteld de herrijzenis van de Maangodin, een duistere macht, te voorkomen. Ook weet niemand dat de Benandanti door de eeuwen heen elke regering, elke religie en elk invloedrijk instituut middels ontoelaatbare praktijken manipuleerden. Katherine Sweeney Cassidy ontdekt bij toeval de identiteit van de Benandanti die de universiteit besturen. Wat Katherine niet kan voorzien is dat het heftige liefdesleven van haar nieuwe vrienden, Oliver en Angelica, die zich bij voorkeur uitleven onder het licht van een volle maan, direct aanleiding zal geven tot de wederopstanding van de gevreesde Maangodin... De romans van Elizabeth Hand werden bij herhaling genomineerd en bekroond met onder meer de World Fantasy Award, de Hugo Award en de prestigieuze James Tiptree Award. Hand woont en werkt in Maine, VS. `De Maangodin is een buitengewoon boek. Een ambitieuze, erotisch geladen moderne fantasy-roman. Clive Barker

The Wild Yazoo Aug 16 2022 "What would I do in Mississippi?" I asked. "What you want to and can." He sat down again and turned toward me. "It's all open. There's a state to be made, and there's a free hand for the fashioner. Half the available land hasn't been claimed now, and there's a new treaty afoot that'll send the Chocktaws west of the river to give the state a vast new territory." He clenched a hand. "That country must and will be settled, and it's better that it be done by Southerners."

Koninkrijk te koop Aug 04 2021 De Landover-boeken gaan over de Amerikaanse advocaat Ben Holiday, die op een dag voor een miljoen dollar een magisch koninkrijk koopt om het verlies van zijn vrouw en kind te verwerken. De avonturen zijn kleurrijk en licht van toon, Vol bijzondere wendingen en verbazende personages. Ben Holiday staat misschien wel het dichtst bij Terry Brooks, die, voor hij een succesvol schrijver werd, zelf advocaat was. Landover is een magisch koninkrijk, met toverij en een elfenvolk, precies zoals de advertentie beloofde. Maar nadat hij het gekocht heeft, komt Ben Holiday er al snel achter dat er een paar details onvermeld zijn gelaten: het koninkrijk is een puinhoop. De baronnen weigeren een koning te

erkennen en de boeren hebben alle hoop verloren. Een draak verwoest het platteland, terwijl een boze heks werkt aan een plan om alles te vernietigen. Bens enige volgelingen zijn de klunzige hofmagiër Questor Teeuw, de pratende hond Abernathy en de liefvallige Wilgje, die de gewoonte heeft wortel te schieten in het maanlicht en in een boom te veranderen. En alsof dat allemaal nog niet genoeg is, krijgt Ben te horen dat de IJzeren Mark, de verschrikkelijk heer der demonen, alle toekomstige koningen van Landover voor een duel op leven en dood uitdaagt. Bens taak lijkt onbegonnen werk: gelukkig is hij koppig...

**Science Fiction and Fantasy Book Review** Mar 19 2020 "Science Fiction & Fantasy Book Review" was founded in 1979 to provide comprehensive coverage of all the major and minor books being released in the genre at that time. This was the golden era of SF publishing, with a thousand titles (old and new) hitting the stands and the bookshelves each and every year. From the older classics to the newest speculative fiction, this was the period when the best and the brightest shined forth their talents. SF&FBR included reviews by writers in the field, by amateur critics, and by litterateurs and University professors. Over a thousand books were covered during the single year of publication, many of them having been reviewed no where else, before or since. The January 1980 issue includes a comprehensive index of all the works featured during the preceding year. This reprint will be a welcome addition to the literature of science fiction and fantasy criticism. Neil Barron is a retired bibliographer and literary critic, editor of the acclaimed "Anatomy of Wonder" series. Robert Reginald was the publisher for twenty-five years of Borgo Press, and has authored over 110 books of his own."

*Silverlock* Feb 22 2023 Classic of historical fantasy.
