A record of the darker races. What is a jealousite, you might ask? The term jealous means very watchful or careful in guarding or keeping, resentfully suspicious of a rival or a rival's influence, resentfully envious, resulting from such feelings, requiring exclusive loyalty. An "ite" is a native inhabitant, or citizen of; a descendent from or offspring of; an adherent of, believer in, or member of. A jealousite is anyone that God wants to deal with who is in need of cleansing from jealousy and envy in your territory and life, even if it's yourself. So, you've fallen into the pit of sin and jealousy and envy has a hold on you. Is it too late for you or those in your territory or life who may be struggling with this sin? The answer is no. So many are stuck or at a stand still in life, while others are watching enviously at those who are pursuing ahead. We can no longer ignore this crisis for it affects our relationships on all levels. Whether it be in your home, in the workplace, in your school, in your church, in your family, in your friendships or in your nation. Jealousy and envy is lurking through the eyes and hearts of those who are in need of a God-sized transformation. If you are tired of living an average, defeated, self-consumed and insecure life, this book was designed with you in mind. You don't have to sit back and watch others get to the finish line. You can get in the race and finish your course also. No longer do you have to compare yourself to others but you can find peace with God and others by accepting your value and worth. You, yes you, are called to make a difference and a contribution in the lives of others. This book's message is a beckoning call for healing, deliverance, restoration and forgiveness to the broken hearted. If you've been desiring to get ahead in life, to advance beyond the pain, sufferings and struggles you've been experiencing, this is your time. In Start 2 Run bundelt Evy Gruyaert alle vragen die ze over de jaren kreeg en volgt ze week per week mee in je looptraining. Wat als je nog nooit gesport hebt? Hoe kies je de juiste loopschoen? Ieder hoofdstuk vertelt iets nieuws en relevants voor de trainingen in die week. Net zoals de app dus, maar nog uitgebreider! According to the Roman Breviary, Saint John Eudes is the author of devotion to both the Sacred Heart of Jesus and the Immaculate Heart of Mary. His two works on these two devotions are classics. However, he is also a master to the spiritual life; an unknown master. Many are familiar with the works of Saint Bonaventure, Saint Alphonsus Ligouri and Saint Louis de Montfort to name just three of the masters of the spiritual life. And yet, Saint John Eudes has a lot to contribute. Let us consider this from Saint John Eudes in this excellent work: What truth can there be in the claim that we are Christians and adore a crucified God, a God agonizing and dying upon a Cross, a God who for love of us gives up so noble and excellent life, a God Who sacrifices Himself for us every day, before our eyes upon our altars for our salvation, if we are not ready to sacrifice to Him all that we hold dearest in the world, and even life itself, which in any case belongs to Him by all rights? Surely we are not Christians if we are not in these dispositions. Therefore I say, and this will immediately be clear to anyone who gives a little thought to the truths I have outlined, that all Christians ought to be martyrs, if not in actual fact, at least in intention and in will. So true is this, that if they are not martyrs of Jesus Christ, they will be martyrs of Satan. Choose whichever of the two you love more. If you live under the tyranny of sin, you will be a martyr to your self-love and your passions, and consequently a martyr to the devil. But if you desire to be a martyr of Jesus Christ, you must strive to live in the spirit of martyrdom. What is the spirit of martyrdom? It is a spirit that had five excellent attributes: 1. it is the spirit of strength and constancy which fears only God and sin, and cannot be shaken or overthrown, either by promises or threats, by persuasion or violence. 2. It is the spirit of deepest humility, which feels only horror for the vainglory and publicity of the world, and loves contempt and humiliations. 3. It is the spirit of self-mistrust and of most firm confidence in Jesus Christ our Lord, our Strength, in whom all things can be done. 4. It is the spirit of perfect detachment from the world and everything that is in the world. Those who are to sacrifice their lives to God must also sacrifice to Him all else besides. 5. It is the spirit of most burning love for our Lord Jesus Christ, who leads those animated by this spirit to do all and suffer all for love of Him, who dies and suffered all for them. It so inflames them that, for love of Him, they consider mortification and suffering to be a paradise of joys, to be sought and desired while they avoid and detest the pleasures of this world as much as they would hell itself. This is the spirit of martyrdom, . Implore, O Lord, who is the King of Martyrs, to fill you with this spirit. Pray to the Queen of martyrs, and all the martyrs, too, that they may obtain this spirit for you from the Son of God, by their holy prayers. Cultivate a particular devotion to the saintly martyrs. Make a point, also, of praying for all those who will have to suffer martyrdom, in order that God may grant them the spirit and grace of martyrdom. Pray especially for those who will have to suffer the persecution of antichrist at the end of the world, for it will be the most cruel and horrible of all persecutions. Finally, strive to develop within yourself, by imitation, a perfect image of the lives of the holy martyrs and, what is more, the life of the King and the Queen of martyrs, Jesus and Mary, so that they may make you worthy to resemble them in death. A collection of his columns for the "New York Post" during the last decade. Do you feel like you are in a cocoon and trapped by the systems at large, like you want to get out so badly but you can't? There is hope since the power is surely within as you will understand who you are and how you can create your own destiny from your own perception of reality. You are great, and it is time to be uplifted, inspired, enlightened, and aware, as unity among humanity is confirmed since we are one conscious mind. So it is with Marc-Andre Fillion, whose brief encounter with a neighbour seven years earlier provides the inspiration and story for *The Extraordinary Garden*. An expanse of parkland between their backyards is the physical separation between Marc-Andre and the woman after whom he longed for seven years, Josee. But the true divide is that both are married, with families. The obligations of being a good spouse, a good parent, a good neighbour keep them apart every bit as much as they drive them together - both have daughters in competitive diving and who attend the same school. *The Extraordinary Garden* is an eloquent work of fiction mining, the same vein as the works of John Cheever and John Updike.
